HAVE YOU THOUGHT OF YOUR future? Has your job a bright future for you? If you are not getting ahead investigate the offer the United States Navy makes you. If you are over 17 years of age and an American citizen, it will pay you to look into these opportunities—the many chances to learn a useful trade, the good pay while learning, the steady work, good food, chance for advancement, the healthy, ragged manly life. Think this offer over carefully. Talk it over with your parents or guardian. Then go to the Navy Recruiting Station, Allison Building, East Main and Eighth Streets, Richmond, and talk it over with the navy men there. They will tell you all about the advantages of navy training and life aboard ship. Costs you nothing to be examined. You'll be surprised at the advantages effered.
